Torrance Retail Sales at Record High; City Passes Other Leaders

Torrance's taxable retail sales reached a new all-time high in the third quarter of 1959, according to the Chamber of Commerce.

President J. H. Paget said a high of \$24,072,000 was reached—close to a \$1,000,000 over the 1959 first-quarter figure and more than \$3,000,000 higher than the last quarter of 1958.

Total taxable sales for the first nine months of 1959 also reached a new high of \$66,235,000—\$15,000,000 more than the record year of 1957. Paget said this figure is vital to the economy of Torrance as it means

\$66,235 comes here. Strong retail cities that have been passed by Torrance include Lakewood, Culver City, Merced, Redwood City, Salinas, Santa Rosa, and Whittier.

Taxes More and More

February was the biggest revenue month of the 1959-60 year thus far. The income of \$187,277,853 boosted revenue for the first eight months to \$827,389,571, an increase of 13.61% over 1958-59.
